### A. Methods, Review and Procurement Plan

Except as the Asian Development Bank (ADB) may otherwise agree, the following methods shall apply to procurement of goods, works, and consulting services.

Procurement of Goods and Works	
Method	Comments
Open Competitive Bidding (OCB) for Goods	<p>The potential for attracting enough qualified bidders to ensure contracts are delivered on time was examined in the strategic procurement planning and procurement risk assessment. It was concluded that all civil works, goods, and nonconsulting services contracts can be advertised nationally and using PRC-specific standard bidding document for works and goods (2020, updated from time to time) and following open competitive bidding procedures.</p> <p>ADB's prior review applies to the first OCB-AN for goods and nonconsulting services of each province. All other packages will be subject to post review (sampling) by ADB.</p>
Request For Quotation for Goods	Applies to small/simple contracts (threshold \$200,000) in procurement of works, goods, and nonconsulting services; and suitable for standard readily available goods with low quality risk to support efficiency in procurement specially for low value low risks packages.
